SUBJECT: District Six Youth Commission Appointments

It gives me great pleasure to reappoint Julia Saba and appoint Lena Salter as District 6 representatives to the Youth Commission. Also, I would like to appoint Damon Gray as an alternate to this commission.

Julia is currently a student at Francis Parker and has been a great representative of District Six communities.

Lena Salter is a student at Kearny High School of International Business. Damon is also a student at Kearny High School of Digital Media and Design. These two motivated individuals will be excellent additions to the board.
